## MESSAGE FROM REV NIALL STRATFORD

In years to come, a possible trivia question may well be- 'When did the 2020 Olympics take place?' To some this may appear to be a ridiculous question. Not unreasonably one suspects, some are likely to answer – but in 2020 of course. As we all know, the 2020 Olympics occurred in 2021! On the assumption that no event prevents the 2024 games from proceeding, this year's games will therefore be the only games to have taken place during an 'odd' year, since the year the 'modern' Olympics commenced in 1896.

Sport brings success and joy, heartache and pain. We congratulate all the athletes who attended the 2020 Olympics- all these Olympians - especially those who succeeded in being members of 'Team Ireland'- who have represented their country and themselves with pride and participated with great dignity.

Athletes - Sportswomen and Sportsmen the world over are an inspiration to all of us, in the manner in which they overcome adversity, their relentless pursuit to achieve, to improve, to attain new goals. Their example should indeed be an inspiration to us all - to exhibit a 'can do spirit' in all aspects of our lives.

Imagine- if society- all of us as individuals, all of us together, relentlessly pursued the myriad of issues of life that require resolution, attention and action, what the outcome might be. What might be achieved? Could the seemingly impossible become reality? Imagine!

***"I can do all this through him who gives me strength" Philippians 4 v 13***

Best wishes

***Niall***
